Fitness

Reminder - Now open with a 30% capacity max, six members downstairs, three upstairs. Hours are 6am-6pm every day. Info on fitness classes--now all held in

the ballroom--can be found [here](#).

Reminder - 24/7 Is Back Starting Mon 6/22 at 6pm - Thanks to all of you for being really cooperative since fitness has reopened. This is an important health area for staying fit, but also a worry area for many. For those reasons we took it slow, but we've had a very positive and low key launch so we're going to expand the fitness hrs back to 24/7 using the Brivo App for access. Doubling the hours available will mean even lower usage per hour and those who are seeking extreme isolation can find nice quiet off hour times. If you are not working out as much as you like and we can help please reach out to [Mark](#).

Pool

Reminder - Adult and family pools open daily from 7am-7pm, call 434-817-0534 to reserve a time slot.

Golf

NEW - Cup Contraptions - Kevin is testing a device that fastens to the flagstick and enables a different method of retrieving one's golf ball from the cup during the pandemic era. Two of them are in circulation--one on the front and one on the back. Thanks for the great feedback on them since Fri. While it's not a vote exactly, we're trending 75% positive comments with the ball falling more into the cup as a big reason. Also some with larger putter heads have less touch. Negative reasons cited are the visual distraction. Keep that feedback coming, email suggestions@theclubatglenmore.com.
