

## Member Update

### *Phase Two*

The Governor has announced we can move to [Phase Two](#) as of Fri 6/5 with some loosening in swimming, partial reopening of fitness, expanded group gathering size, and limited indoor dining. More details are below organized by activity, and with so many adjustments you can expect heightened communication for several days.

### *Fitness - ALL NEW*

**The Fitness Center reopens 8am on Fri 6/5**, with 30% capacity max. We've moved equipment around--including moving some to the second floor--to maximize capacity while keeping stations 10+ feet apart. Our initial limit is lower than required: 6 members downstairs, 3 upstairs. Equipment not easily disinfected has been removed. Hours Fri 6/5 are 8am-6pm, then 6am-6pm beginning Sat 6/6.

- Reservations will not be required for this weekend, then we'll reevaluate if needed. No guests allowed at this time.
- Max usage 60 minutes per person.
- Bring your own towels and water.
- To use the Fitness Center you must have security access through the BRIVO system, email [Mark](#) if you need access.
- State guidelines do NOT require masks while exercising in the fitness center or participating in classes. Please stay 10+ feet apart.
- Equipment has been professionally treated with EPA approved Virex antimicrobial protectant. This is long lasting treatment which does not damage circuit boards the way alcohol or peroxide based sanitizers can. Use whatever sanitizer you wish on your hands, but stick to the provided

gentler solution for the equipment. Free weights were not treated so anything can be used there.

**Expanded Fitness Classes.** The new max allowed by VA is 50, but our new limit is 20. Fitness classes will continue outside through the weekend, then transition into the Ballroom effective Mon 6/8. Classes will not take place in the 2nd floor studio in the foreseeable future. We're currently working with instructors to expand offerings. More info soon, in the meantime [email](#) if you have a request.

### ***Pool - ALL NEW***

**The adult pool opens 8am Fri 6/5, reservations required.  
Recreational swimming is not permitted.  
The Toddler Pool remains closed by VA.  
No guests at the pool for the time being.**

**This Executive Action has us reinventing the pool around very unique constraints in a tight time frame. Your patience with the team will be really appreciated by a hard-working team who has the first mission of keeping swimmers safe.**

In addition to exercise swimming, water aerobics and swimming instruction/lessons are now permitted. Lounging, reading and sunbathing are permitted. Lounging IN the pool itself is NOT permitted. State social distancing requirements are different for pool decks than they are elsewhere: "seating may be provided on pool decks with at least ten feet of spacing between persons who are not members of the same household." We've removed furniture to comply, and we encourage members to contact their elected representatives if you have thoughts on the recreational swimming ban. Other notes as we expand pool operations:

- Family and adult pools will be available in 1:45 minute time slots from 8am until 6pm this Fri-Mon. Call 434-817-0534 to reserve a slot.
- To move onto Phase Two we need to clear the reservation sheet. If you have previously booked an hour-long lap lane reservation this weekend it has been cancelled, please call 434-817-0534 to reschedule. We can now offer more than individual lap swimming, so let us know if you'd rather bring your family or move to the adult pool.
- The adult pool must be accessed through the family pool. The adult pool gates will be locked.
- Pool noodles, rafts, floats, etc. are not be permitted at this time.
- If you have questions email [Mark](#) or call 434-817-0538.

NOTE: The snack shack will be closed Fri 6/5 while we await delivery of provisions which will allow it to open Sat 6/6. On Fri 6/5 we can run food & drink orders over from the Clubhouse.

## ***Dining - ALL NEW***

**Indoor dining is allowed** at 50% of capacity, beginning with lunch service on Fri 6/5. Reservations strongly recommended, call 434-817-0507. Hours: 11:30-9pm Fri-Sat, 10:30-8pm Sun, 11:30-8:30 Tue-Thu. Accompanied guests welcome. Note that those closing times are when the last order has to be in, not when the dining room closes, and Tue Buffets are still on hold.

**The 19th Hole** also reopens at 50% capacity on Fri 6/5. Hours are Tue-Sat 11-7pm, Sun 10:30-5pm.

**Patio** - Dinner service on Thu 6/4 is the last on the patio as we concentrate on reopening inside. We've enjoyed patio dining and will consider ongoing use. In the meantime we have some brick repair work to attend to which was started then quickly abandoned when outdoor dining was allowed. Tent rental ends 6/9.

**Views vs. Trees** - Patio use prompted a number of suggestions to open up the view down #18. We have some constraints in that some trees are being used to screen utilities or service areas, but tree work is scheduled to begin on Mon 6/8 weather allowing.

## ***Golf***

**NEW - GWGA and Silver Eagles** - Remember to sign up week-to-week via a quick email to [Jack](#). If you do not get a confirmation email from Golf Genius tournament software prior to the weekly deadline please let us know. The system allows us to post results online, along with tee times and pairings. It also allows us to automatically submit rounds for handicaps.

**NEW - Ladies Saturday Morning YaYa's** - Starts on 6/13 at 9am. Call or email [Jack](#) to play.

**Reminder - Ladies Member-Member, Sat-Sun 6/27-28** - The Theme this year is *golf without the glitz*. \$20 entry fee per team which all goes towards prizes. Sign up by emailing [Jack](#).

**NEW - Superintendent's Update** - We've begun aerating the Bermuda grass. We're collecting the plugs and using them to patch bare areas. So far we've applied them around the 13th tee and the practice green (pictured). Please help us maintain green health by not only fixing your own ballmarks but also getting a few others while you do. As the weather warms damage like that is slower to heal.
