Dining

NEW - Summer Menus - With some great local produce now coming into season Chef Frederick has added new dishes to the [lunch](#) and [dinner](#) menus, including Gazpacho; a Bruschetta with Fresh Tomatoes, Fresh Mozzarella and a Balsamic Reduction; and a Butter Roasted Gnocchi with Sharondale Mushrooms, Peas, Roasted Red Peppers and a Sherry Vinaigrette.

UPDATED - Family-Style Specials - These are available either cold to heat up at home, or hot from the club. They're also available for either lunch or dinner. This week it's **Chicken Parmesan with Linguine** or **Slow Cooked Meatloaf with Mashed Potatoes and Gravy**. Serves 4 (\$30) or 6 (\$45), salads & desserts optional, allow 45 mins if you'd like yours heated. **NOTE:** *If you'd like these specials [hot for lunch](#) the best option is [ordering online](#). Online ordering opens at 11am, which allows the kitchen to begin cooking prior to the opening of service and the phones at 11:30.*

NEW - Thanks for a good first weekend of phase 2 indoor dining. A reminder that masks are required indoors unless eating. Eating isn't a defined term but can reasonably interpreted to mean when seated at one's table for drinks or your meal. The team and other members would appreciate it if you would wear a mask until seated and when leaving. There are permitted exceptions and we appreciate the mutual respect that we've been experiencing.

NEW - We've stopped asking the checklist questions at the door, since those are not required. The regs still prohibit dining in with a fever or symptoms of COVID-19, or known exposure to a COVID-19 case in the prior 14 days. This one is more common sense, but we are including it since we're recapping a couple other rules issues.

Fitness

Reminder - Now open with a 30% capacity max, 6 members downstairs, 3 upstairs. Hours are 6am-6pm every day.

- Reservations not required this week, we'll reevaluate if needed. No guests allowed at this time.
- Max usage 60 minutes per person.
- Bring your own towels and water.
- To use the Fitness Center you must have security access through the BRIVO system. Email [Mark](#) if you need access.
- State guidelines do NOT require masks while exercising in the fitness center or participating in classes. Please stay 10+ feet apart.
- Equipment has been professionally treated with EPA approved Virex antimicrobial protectant. This is long lasting treatment which does not damage circuit boards the way alcohol or peroxide based sanitizers can. Use whatever sanitizer you wish on your hands, but stick to the provided gentler solution for the equipment. Free weights were not treated so anything can be used there.

Pool

Reminder - Now open, exercise swimming, water aerobics and swimming instruction/lessons are all okay. Lounging, reading and sunbathing are permitted. Lounging IN the pool itself is NOT permitted. Pool noodles are permitted only for exercise. Rafts & floats are not be permitted yet other than for a parent to pull or push young children or those with disabilities in the lanes for fitness.

Reminder - Reservations required, call 434-817-0534. Family and adult

pools will be available in 1:45 minute time slots from 8am until 6pm daily.

NEW - Diving Board - Yes it is open! This was a popular item this weekend. It takes a minute to get used to touching a railing that someone else just touched...until you realize that you are jumping into a chlorinated pool seconds later which is a germ killer. Enjoy the freedom and let's see those cannonballs.

NEW - Classes and Kids Stuff - We still can't understand VA's ban on recreational swimming, but we're going with the flow to create some fun classes. Kim held some impromptu activities this weekend to good response and you can look for more of the same including some prizes and competitions thrown in. Reply with requests and ideas....and need not be kid only. More soon.

NEW - Snacks and Drinks - Frozen Margaritas, smoothies, and music were all available at the pool once the delivery truck arrived to stock us up this weekend. Come and sanitize yourself with sun and chlorine while sipping frozen joy.

Golf

Reminder - GWGA and Silver Eagles - Remember to sign up week-to-week via a quick email to [Jack](#). The system allows us to post results online, along with tee times and pairings. It also allows us to automatically submit rounds for handicaps.

Reminder - Ladies Saturday Morning YaYa's - Starts on 6/13 at 9am. Call or email [Jack](#) to play.

Reminder - Ladies Member-Member, Sat-Sun 6/27-28 - The Theme this year is *golf without the glitz*. \$20 entry fee per team which all goes towards prizes. Sign up by emailing [Jack](#).
